Letter of Resignation

To: The Officers and Members of the Chester Residents Concern
for Quality Living

It is with deep regret I submit this letter of resignation; effective immediately. I also resolve that the Faith Temple Holy Church resolves itself of any responsibility for the affairs and actions of the Chester Resident Concern for Quality Living. Except that which relates to its responsibility to oversee the expenditures of the \$10,000.00--EPA Grant.

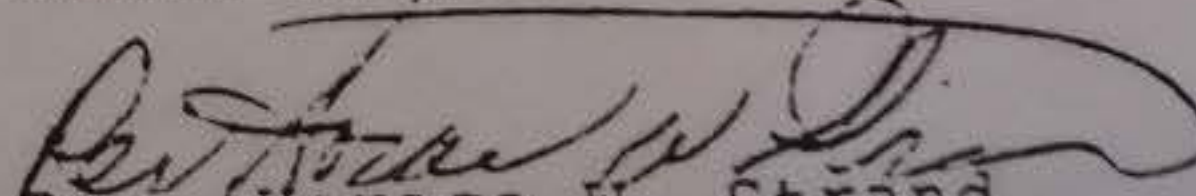

For two years I have worked to help bring about justice and equality in an area that fell victim to Environmental Racism. When I stepped into the fight, I knew it was against an opponent that was stronger, wiser, and more resourceful than I. Like David against Goliath, I used the weapons that were familiar to me. Prayer, faith in God, and a commitment to win, were my weapons. These weapons proved to be successful.

In just a short time we have together turned the tide of Environmental Racism, and have set an example for all community at risk. One would think that with this success would come rejoicing and great joy; instead it has produce internal strife; and constant critizism of my leadership of this group. This internal strife has already resulted in the loss of a great opportunity, and is threatening the progress we have made. We are in serious danger of loosing ground that we have gained. I for one, do not want to be apart of our demise.

Currently it seems that we are going no where fast. I want to say that I beganned this fight to help this community and I want to leave in peace. If I have offended or hurt anyone, please forgive me. I will continue to support and work to bring about justice in this community.

May God richly bless you all, and thanks for the help and support you gave me.

Yours in His Service,

Dear Reverend Strand,

I am glad that we are able to resolve the matter pending between yourself and Chester Residents Concerned for Quality Living (CRCQL). As per your request accompanying this letter you will find ~~the~~ the original agreement for the repayment of debt owed by you to the CRCQL organization. The original amount of debt owed was \$5,500.00. According to our records \$2,380 remains unpaid. This figure was given to you by Louis Morse during a March 2, 2000 meeting. As agreed, your payment of \$2,380 today will absolve you of the debt to the CRCQL.

As stated we have no record of a \$2,000 payment, however, if you can provide documentation of that payment we are willing to issue you a refund. *or any other payment from you will be credited back to you* (ZM)

We appreciate your willingness to resolve this matter.

Dear Mr. Strand,

I have reviewed the check # 2391 dated 1/4/97 for \$2,000 made payable to Chester Residents Concerned for Quality Living and have determined that the check of \$2,380 dated in March 2000 was an accurate payment. Based on the information that you have provided, I have determined that Chester Residents Concerned for Quality Living does not owe you any monies. However, if you can produce documentation on the contrary, I will certainly research it and made a finding.

I am asking that taken your prior history of unchristian like behavior that we limit our contact to written correspondence. So you may contact me by regular mail at the above mentioned address or you can fax me at 610-485-5330
